INDEPENDENT COLLEGE FUND OF NEW JERSEY

Centenary University continues to benefit from generous corporate and foundation support given through the Independent College Fund of New Jersey. Begun in 1953, the Fund makes a single, united annual request to corporations and foundations on behalf of the 14 member colleges. For more than 60 years, the Fund has continued to secure corporate financial support for the state's independent colleges and to promote a greater understanding of the importance of maintaining the opportunity for choice between public and private education.

The Independent College Fund of New Jersey represents all of the state's fully accredited, privately controlled colleges and universities, except those that are engaged primarily in religious studies.

ICFNJ donors contributed to the Fund in calendar year 2017. Most gifts are allocated by formula, although a number are designated to specific institutions. Support in 2017 for independent higher education in New Jersey through the Fund totaled more than \$1 million.
