I NEED TO GET THINGS FROM MY ROOM, WHAT DO I DO?

Send an e-mail to Residence Life at residencelife@centenaryuniversity.edu. They will make an appointment for you to come and get your things.

WHY DO I NEED TO MAKE AN APPOINTMENT WITH RES LIFE?

The front doors of the Residence Halls have been programmed with a different access at this time. We are making appointments to make sure we have a staff member available to let you in.

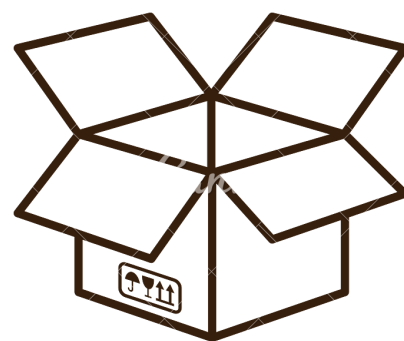

WHAT ABOUT THE REST OF THE ITEMS IN MY ROOM?

You will receive an e-mail from Residence Life when a date and time has been set for you to fully move out of your room. Please rest assured all of your personal belongings will be safe until that time.

I HAVE A PACKAGE THAT WAS DELIVERED TO THE MAILROOM, HOW DO I PICK THAT UP?

For Students—any packages sent thru UPS and FedEx cannot be forwarded once they are received in our Welcome Center. In order to receive your items promptly, we suggest that you change the address to your home address on any packages that you will have delivered over the next few weeks. Some USPS packages may be able to be forwarded, but not all. If you have any questions or concerns, please feel free to reach out to Carrie Frei in the Welcome Center at ext. 2316 or via email at Mailroom@centenaryuniversity.edu.
