

FERPA STUDENT INFORMATION RELEASE AUTHORIZATION IN COMPLIANCE WITH THE FAMILY EDUCATION RIGHTS AND PRIVACY ACT OF 1974

In compliance with the Federal Family Education Rights and Privacy Act of 1974, Centenary is prohibited from providing certain information from your student records to a third party. This restriction applies to, but is not limited to, your parents, your spouse, or a sponsor or legal guardian.

You may, at your discretion, grant the College permission to release information about your student records to a third party by submitting a complete "FERPA Student Information Release Authorization" form. The specified information will be made available only if requested by the authorized third party. This form allows authorized third parties to access student record information from any Centenary campus or off-campus site. NOTE: For the authorized party named on this form, this release overrides all FERPA directory suppression information that you have set up in your student record. For more detailed information on your rights under FERPA, please refer to the Centenary University catalog.

The "FERPA Student Information Release Authorization" form is to be submitted to the Registrar's Office. Your authorization to release information has no expiration date. You may revoke your authorization at any time by sending a written, signed request to the attention of the Registrar's Office. The submission of updated, signed FERPA forms takes precedence over earlier FERPA forms that have been submitted!
