TOTAL NUMBER OF CREDITS: 120

NOTES:

- To earn a Bachelor degree, all graduates must successfully complete a minimum of 120 credit hours.
- Minimum of 30 credits must be taken at Centenary University.
- All graduates must have a minimum cumulative grade point average of 2.0 or above.
- All graduates must have a minimum of 2.0 GPA in their major(s).
- Courses that are special topic listed in the title, typically ending with a 99, are repeatable. Courses are counted multiple times and do not replace grades of the previous special topic course.
- Credits can be shared between the core and the major, or between the core and a minor. But credits cannot be shared *within* the core: a particular course can count only once for the core.
- Students will be guided by the degree audit sheet in effect at the time they declare specific major(s). Category III requirements will be guided by the courses listed in the corresponding academic year catalog (once major(s) is/are declared).
- SOC4002 Research Methods is designated writing intensive and is to be taken in either semester of the junior year and after MTH1500 and MTH1505 are taken.
- Internships require a minimum of a 3.0 GPA or have approval from Academic Advisor and Department Chair. In order for internship credits to count under Sociology core or related requirements, Academic Advisor must approve.
