

Educational Opportunity PROGRAM

The Possibilities are Endless

The Educational Opportunity Program (EOP) offers financial and academic support to economically and educationally disadvantaged students. We empower New Jersey residents to become strong citizens and community leaders by focusing on supporting those who demonstrate academic or creative capabilities.

Program Information

The EOP at Centenary University helps students overcome obstacles by providing a support system specifically tailored to meet their needs.

Support Tools:

- Tutoring: Professional and Peer Tutors available with individual and group
- Workshops: Study Skills, Time Management, Organizational Skills, Financial Planning and Leadership
- Supportive Faculty: Expert assistance and support
- Supplemental Instruction: Additional support assistance
- One-on-one counseling: Regularly scheduled sessions ensure growth

Summer Program

A summer program takes place on campus to help ensure students are able to balance an academic workload and the independence of college life. The program includes:

- An accelerated view of coursework
- Structured study sessions
- Social activities

Eligibility Requirements:

- High School Graduate: Provide proof of graduation
- Admissions to Centenary University: Based on admissions criteria of the university
