

See a doctor whenever, wherever.

When you need quick care, a Virtual Doctor Visit is a convenient way to see a doctor and get on the path to healthier faster.

With Oxford's Virtual Doctor Visits, you can see and talk to a doctor via mobile device or computer — 24/7, no appointment needed. The doctor can give you a diagnosis and even have a prescription* delivered to your pharmacy, all in about 20 minutes. And with an Oxford plan, each Virtual Doctor Visit costs you \$50 or less.

Virtual Visits and video chat with a doctor are not an insurance product, health care provider or a health plan. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. Virtual Visits are not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times or in all locations.

The Designated Virtual Visit Provider's reduced rate for a virtual doctor visit is subject to change at any time.
