# Discover the World of **CRIMINAL JUSTICE**

## **Discover Your FUTURE U.**

Centenary University School of Natural, Health, Social and Behavioral (NHSB) Sciences brings you two Bachelor of Arts (B.A.) programs that lead to rewarding careers in Criminal Justice. The B.A. in Criminal Justice prepares students for employment in any of the three primary components of the criminal justice system:

- Law Enforcement
- Courts
- Corrections

Students will be well prepared for employment in related criminal justice fields such as Victims Services, Crime Scene Processing, Security Services and Investigations, Crime Analysis, Probation, Parole, Police Misconduct, Homeland Security, Paralegal and Legal Assistant Studies, and a wide variety of careers in and around government services.

The program also provides the rigorous preparation necessary for students who wish to continue their education at the graduate level; particularly in the University's Master of Arts in Leadership and Public Administration Program.

### **Why study Criminal Justice at Centenary University?**

- Criminal justice courses are taught by faculty members that have experience working in the criminal justice system, and expert guest lecturers are frequently used.
- Internships are encouraged for Criminal Justice majors meeting the requirements in their junior and/or senior years of study. Internships offer real-life learning and often lead to job opportunities upon graduation.
- Criminal Justice Club activities to expand experience outside of the classroom.
