Professional Development Schools (PDS) Discount Waiver Form

Students that hold a New Jersey Instructional or Educational Services Certificate and are employed at a public school or an NJDOE-approved School for Students with Disabilities collaborating with Centenary College as a *Professional Development School (PDS), receive a reduction in the tuition rate for classes. This applies to Education courses that have the GED designation in the course number, both on the Centenary College campus as well as classes offered at a PDS site or online. Please note that students need to be under contract for the full school year to be eligible for this discount.

Beginning in Fall 2016, the PDS discount rate will be 35% for all new or readmitted PDS graduate students. PDS students who have taken courses prior to the Fall 2016 semester will be grandfathered in at the current 50% discount rate, so long as they have not had an absence of one year or more. PDS students enrolled prior to Fall 2016 but not registered for courses for one year or more, will need to be readmitted and will receive the 35% discount rate. For the Ed.D program, the PDS discount rate is 25%.

I am employed at a PDS school and hold the required NJ certificate.
