NUR 4400 Population Health* Social & Community Responsibility	Major		<b>TOTAL NUMBER OF CREDITS IN RESIDENCE:</b>	<b>30-40</b>
Creative Expression & Creative Self	4CR			

\*Proposed Courses

- Notes:
- To earn a Bachelor degree, all graduates must successfully complete a minimum of 120 credit hours.
  - Minimum of 30 credits must be taken at Centenary University.
  - All graduates must have a minimum cumulative grade point average of 2.0 or above.
  - All graduates must have a minimum of 2.5 GPA in their major(s).
  - Courses that are special topic listed in the title, typically ending with a 99, are repeatable. Courses are counted multiple times and do not replace grades of the previous special topic course.
  - Credits can be shared between the core and the major, or between the core and minor. But credits cannot be shared *within* the core: a particular course can count only once within the core.
  - \*Must earn C or better in all nursing and major-related courses.**
  - <sup>‡</sup>An active, unencumbered RN license will earn 20CR toward a BSN.
  - <sup>\*\*</sup>Nursing elective course offered for students that transfer in University Core Credits and all Nursing Pre-requisite Courses to attain 120 credits required for graduation
