

## 2023-2024 Change of Circumstance

Student Name: \_\_\_\_\_ Student ID# \_\_\_\_\_

The majority of financial assistance is based upon 2021 information provided on the FAFSA. We recognize that a family's income is not always consistent from one year to the next, and that circumstances beyond a family's control may inhibit a family's ability to contribute to educational expenses. We welcome the opportunity to discuss a substantial change in your family's status since filing the FAFSA. Changes resulting from this review do not guarantee an increase in your aid since a loss of income may not have an effect on your financial aid eligibility.

**Please Note:** This form will not be processed until all documents have been submitted. All decisions are final.
