TOTAL NUMBER OF CREDITS: **120**

Notes:
1. To earn a Bachelor degree, all graduates must successfully complete a minimum of 120 credit hours.
2. Minimum of 30 credits must be taken at Centenary University.
3. All graduates must have a minimum cumulative grade point average of 2.0 or above.
4. All graduates must have a minimum of 2.0 GPA in their major(s).
5. Courses that are listed as special topic, typically ending with a 99, are repeatable. These courses are counted multiple times and do not replace grades of the previous special topic course.
6. Credits can be shared between the core and the major, or between the core and minor. But credits cannot be shared *within* the core: a particular course can count only once within the core.
7. If a student chooses the Non-Riding Option, Riding Skills classes convert to Equine Electives.
8. The Equine department recommends MTH 1111 Quantitative Literacy for one of the STEM Engagement requirements.
